

## ***Qasco Surveys Role Description***

**Position: Surveyors & Survey Managers**

**Business Unit: Survey**

**Office: Brisbane**

**Last Updated: November 2008**

### **Description**

Qasco was originally formed in 1962 in Brisbane, Queensland Australia. Today QASCO has offices in Sydney, Melbourne and Darwin and is a respected leader in land and aerial surveying and mapping throughout Australia, South East Asia and the Pacific Islands.

The company's operations cover aerial photography, photogrammetry, land surveying, digital imagery, computing and cartography related services. Our company has recently received national and State awards for excellence in surveying.

Due to demand in our Brisbane office, QASCO has fantastic opportunities for technically competent personnel.

### **Responsibilities**

These positions will involve the following responsibilities:

- Management of existing clients to ensure continued business growth;
- Project planning and project management;
- Tender preparation including project cost quotation;
- Identification of new clients and opportunities;
- Ensure the general management principals are applied in order to fulfil client requirements.

### **Requirements**

The positions will be based in the Brisbane office, and you will work closely with all project teams. This is a challenging position with a diverse set of skills required to fit the position. The following skills and qualifications will be considered favourably:

- Previous project and clients management experience;
- Technical skills in surveying, mapping or spatial sciences;
- Qualifications in the spatial, science or engineering fields;
- Registration with the Surveyors Board of Queensland;
- Excellent verbal and written communication skills;

### **Additional Comments**

This position is considered essential to Qasco's operations and will provide many challenges to the right candidate. We offer a supportive environment that will provide you with a range of training and development opportunities to further your skills and experience.

An attractive salary package is offered, negotiable on your experience and qualifications.

Applications should be sent by email to [careers@qasco.com.au](mailto:careers@qasco.com.au), or by post to:
